THE SNYO PROGRAMME

The Singapore National Youth Orchestra demonstrates the extraordinary capability of our inspired youth.

We are recognised by the Ministry of Education as a National Project of Excellence and are part of the Singapore Symphony Group — the arts charity that also manages the Singapore Symphony Orchestra.

The SNYO comprises of two ensembles; each tailored to the skill levels of its members, giving them individual support and attention in order to develop their ensemble and orchestral playing skills in an enriching musical and social experience.

The **Singapore National Youth Orchestra** is for young musicians who are performance-ready, while the **Singapore National Youth Sinfonia** (members aged 10-16) is for young musicians who would benefit from developing the necessary ensemble skills to play symphonic works.

The maximum age of Singapore National Youth Orchestra members is 21 years old. Candidates who are successful at the audition will be admitted to either orchestra as decided by the audition panel.

SNYO MEMBERSHIP

If you are successful at the audition, you will be offered SNYO membership. As a National Project of Excellence, SNYO members studying in local schools can have their participation in our orchestra recognised in lieu of a school-based Co-Curricular Activity (CCA).

Members of the SNYO are expected to attend all scheduled rehearsals and activities. Our rehearsal schedule is generally as follows:

YS (Youth Sinfonia): Saturday, 10.30 am – 1.00pm

YO (Youth Orchestra): Thursday, 7.00pm – 9.00pm
Saturday, 2.30pm – 5.30pm

(Please note that rehearsal times are subject to change)

There will typically be more rehearsals scheduled on the week leading up to the concert. SNYO members are also expected to attend all other organised activities including assessments, overseas tours, workshops, open rehearsals and masterclasses.

YOUR SNYO JOURNEY

At the SNYO, you will meet like-minded peers from more than 60 different schools across Singapore. Our rehearsals and sectional practices are led by our professional team of conductors and tutors, many of whom are established orchestral players themselves and dedicated musicians of the Singapore Symphony Orchestra.

During your major national examination year (e.g. GCE 'O' or 'A' levels, IB Diploma), you may apply for one term of examination leave, typically from August to December, if you require the time to focus on your studies.

Incoming members who have not previously taken private individual lessons or are learning a new instrument assigned by the Orchestra based on the Orchestra's needs may be eligible for limited lesson subsidies. These lesson subsidies are not a membership entitlement, and are offered at the discretion of the SNYO Management.
